**PUBLIC COMMENT:**

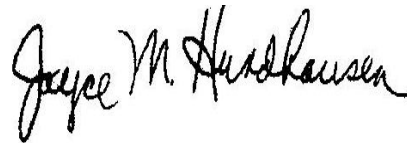

Andrea Newmann, P.O. Box 319, Big Rock, IL 60511. She spoke on how important it is to have Mental Health. By having funding it helps to break the cycle that some people are currently in.

Michael Murray, 154 S. Prospect Street, Roselle, IL 60172. Mr. Murray spoke of budget concern that future budget can only increase by the amount of inflation each year as determined by the Consumer Price Index, no matter what the need, that is the maximum amount. He was disappointed with what was proposed. He feels we should make sure families have respite care and support when faced with crushing demands. He also feels that each child should be thoroughly screened for developmental disabilities leading to early intervention.

Bernadine Howard, 503 N. County Farm Road, Wheaton, IL 60187. She works for the DuPage County Crisis Center. She wanted to express how important it is to have a program that will help offset the Police and Fire Department going out these calls. She is also interested in ongoing counseling.

**ADJOURNMENT:**

Motion by Trustee McGinn, second by Trustee Tolentino, to adjourn the meeting. All Board members present voted Aye. The meeting adjourned.
