From the Office of Township Supervisor, Michael D. Hovde, Jr.

Supervisor Hovde's Spring Update

As I write this update, the weather has turned warmer and the signs of Spring are in the air. I want to let everyone know that I look forward to our in-person lunch events at the Senior Center, especially with our revitalized Senior Council, which has been doing a great job! Also, we continue to host our popular Drive Through meals. As always, please call us, or visit our website at www.bloomingtondaletownship.com for the most up-to-date information.

The activities at the Senior Center continue, and our Fraud seminar held with the Bloomingtondale Police was well attended in 2023. We hope to hold a few more informational seminars and events over the Spring and Summer, so be sure to check the website, or stop by to see what we have planned.

Finally, I again want to remind everyone that Bloomingtondale Township runs an outstanding food pantry, which also stocks a variety of household items, as well as diaper bank, providing products for both children and adults.

I thank all of you for your support and if you ever need assistance, please call me at the Supervisor's office 630-529-7715 so we can help.

BRUSH PICKUP

Bloomington Township Road District offers brush pickup as a service to residents in the unincorporated areas. The Township Brush Removal Program is for the homeowner's convenience. We have a brush chipper designed to mulch those limbs and branches that do not qualify as yard waste. Our equipment is not designed to grind small twigs and evergreen trimmings. Your garbage service will take yard waste and roots for a nominal cost. If it fits into a bag, it is yard waste and will not be accepted by the township.

This program is limited to small property maintenance clean-up projects and not intended for collection of limbs or trunks from whole tree removals, which **MUST** be disposed of privately.

2024 BRUSH PICK-UP DATES:

Week of April 22nd
Week of June 24th
Week of August 26th
Week of October 21st

GUIDELINES FOR BRUSH PICKUP

The following information shall assist residents regarding brush pickup procedures:

ONLY ONE (1) PILE PER EACH HOUSE. THE SIZE OF THE BRUSH PILE MUST NOT EXCEED 20 FEET LONG, 10 FEET WIDE, AND 4 FEET HIGH. BRANCHES OR LIMBS CANNOT EXCEED 10 INCHES IN DIAMETER. Any brush pile larger than this limit and any limbs or branches exceeding 10" will result in no pickup at all for that address.

Brush piles must be placed on the parkway not on the road causing a safety hazard. The piles must be stacked in an orderly fashion and not tied in bundles. *Brush left out in a tangled mess will not be picked up.*

ITEMS NOT ALLOWED: Stumps, root balls, roots, lumber, metal of any kind, posts, clippings, dirt, grass, flowers, weeds, plants, leaves, plastic bags, and any type of household garbage.

This brush pickup program is intended solely for the use of the residents of unincorporated Bloomington Township and shall not be used by contractors and/or residents clearing lots for homes and private roads. **DO NOT PLACE PILE IN FRONT OF VACANT LOTS.** Cutting down a tree is not considered to be trimming or pruning and the Township will not remove the debris. Downed trees by storms will be the responsibility of the homeowner to have removed.

Brush must be out no later than 7:00 AM on the Monday morning of the scheduled pick up week. Brush must not be placed on the parkway until the weekend prior to the scheduled pick-up. **THE CREW WILL BE MAKING ONLY ONE PASS DOWN EACH BLOCK AND WILL NOT RETURN.**

The Township will not remove any brush placed in the parkway after the scheduled pickup is complete.
